- 1.1.3. Bid responses must be received and acknowledged in the City Manager's Office on or before the date and time specified for the receipt of bid responses. 1.2. *Bid Responses*

- 1.2.1. Bid responses must be submitted in a sealed envelope that includes the bid title, bid opening date, and the bidder's name. Failure to provide this information on the envelope may result in the bid not being considered.
- 1.2.2. All bid responses should be typewritten. If not typewritten, they must be written in ink and clearly legible, and numbers must be expressed in both words and figures. All bids must be signed by an individual authorized to bind the bidder. Signatures are required where indicated; failure to comply with this requirement shall be cause for rejection of bid response. Erasures, white-outs and type overs, and other modifications should be initialed. Bidders are cautioned to verify their bid response prior to submission. Failure of a bidder to sign a bid proposal removes that bid from consideration. A typed name will not be acceptable without the person's written signature.
- 1.2.3. Certain mistakes may be corrected so long as the intended correct bid response is clearly evident. In the event of a disagreement between unit price and extended price, the unit price will control.
- 1.2.4. Specifications furnished in the request for bid are intended to establish a desired quality or performance level, or other minimum requirements, which will provide the City with the best product available at the lowest possible price. Should the bidder wish to bid on items which exceed the minimum specifications, the bidder is encouraged to attach a separate sheet providing a description of such components.
- 1.2.5. Bidders must specify manufacturer's name for all products proposed and show the unit price on each individual item as specified. Prices quoted must be the price for new (not reconditioned or remanufactured) merchandise direct from the manufacturer that is free from defects. If bidding a substitute article, a bidder must provide the manufacturer's name, brand, model, make and catalogue reference, specifications for the substituted article, and/or other information that will enable the City to make the determination of similarity, serviceability and suitability of the substitute. The City reserves the right to be the sole judge in making such determination.
- 1.2.6. If bidding a substitute article, the bidder may, no less than five (5) working days in advance of the bid opening, request a determination from the City whether the substituted item is equal and/or better and of comparable quality as specified. The City will attempt to give the bidder notice of City's determination no later than two (2) working days in advance of the bid opening. Bidder is not required to seek such pre bid approval but the bid may be rejected for failure to meet specifications if the proposed substitute is unacceptable to City.

- 1.2.7. Where more than one item is listed, any item(s) not bid upon should be indicated "No Bid". Any and all items left blank will be considered a "No Bid" for that item.
- 1.2.8. A bidder desiring to bid "No Charge" for an item must so indicate by writing "no charge" or "N/C". Bidders shall not leave an item blank since it will be construed as incomplete and may be rejected.
- 1.2.9. Bid responses may only be withdrawn until bid opening after which time no bids may be withdrawn for a period of ninety (90) calendar days after bid opening.
- 1.2.10. Bid responses may be modified by written notice received and acknowledged by the City Manager's Office prior to the date and time for public opening of bids. Late modifications cannot be considered.
- 1.2.11. The City will not be liable for any costs incurred by the bidder in preparing a response to this solicitation. Bidders will submit responses at their own risk and expense. All responses and their accompanying documentation will become the record of the City.
- 1.2.12. The City is exempt from federal and state taxes. Upon request, the City will provide a sales tax exemption certificate to the awarded bidder. Vendors doing business with the City shall not be exempted from paying sales tax to their suppliers for materials to fulfill contractual obligations to the City, nor shall any vendor be authorized to use the City's Tax Exemption Number in securing such materials.

1.3. Bid Award

- 1.3.1. Any contract awarded pursuant to this ITB shall be awarded to the lowest responsive and responsible bidder whose bid response meets the requirements and criteria set forth in this ITB. A "responsive bidder" means a person who has submitted a bid response, which conforms in all material respects to the ITB. A "responsible bidder" means a person who has the capacity, reputation and experience in all respects to perform fully the contract requirements and the integrity and reliability, which will assure good faith performance within the time specified without delay or interference.

The City may make such investigations as deemed necessary to determine the ability of the bidder to provide the products and services required by the bid package.
- 1.3.2. This solicitation in no manner obligates the City to the purchase described, implied or which may be proposed, until confirmed by a written contract. Progress toward this end is solely at the discretion of the City and may be terminated at any time prior to the signing of a contract. The City reserves the right to make revisions to any quantity shown on the bid form dependent upon bid prices and available funding. Prices bid on each item shall be firm regardless of the actual quantity of item(s) purchased.
- 1.3.3. The successful bidder shall provide aluminum bleachers for StarPlex ball field complex. **The bid price shall include all parts, labor, accessories and any**

other standard equipment necessary to make these items function as intended. Pricing for each component shall be effective for one (1) year from date of bid award. If in the bidder's opinion, additional equipment or services are necessary to make the equipment fully operational, this shall be included with explanation in the bid. It is requested that bidders raise any such questions in advance of submitting a bid to the City. To submit a bid implies consent to the terms as set forth in this bid.

- 1.3.4. Any items bid deemed not of equal and/or better and of comparable quality and similar in design as that specified shall be cause for rejection of bids. In addition to the price, the following aspects will also be considered in the award of a contract:
- a. The ability of the bidder to perform the contract or to provide the material for service required;
 - b. Whether the bidder can perform the contract and provide the material or service promptly or within the time specified without delay or interference;
 - c. The character, integrity, reputation, experience and efficiency of the bidder;
 - d. The previous and existing compliance by the bidder with laws and ordinances relating to the contract or service;
 - e. The ability of the bidder to provide future maintenance and/or service for the subject of the contract;
 - f. Terms and conditions stated in bid;
 - g. Compliance with specifications or the ITB;
 - h. Utilization of the format set forth in Section 3 for submittal of a bid; and,
 - i. Bidder's past performance with the City.
- 1.3.5. The City reserves the right to reject any and all bids, to waive any irregularities in a bid, to make awards to more than one bidder, to accept any part or all of a bid, or to accept the bid (or bids) which in the judgment of the governing body is in the best interest of the City.
- 1.3.6. No bidder may withdraw its response for a period of ninety (90) calendar days after the date and time set for the opening of the responses. In the event the City shall award a contract to a bidder and if during such ninety (90) day period the City determines that such bidder will be unable to properly perform the contract, the City reserves the right to terminate the contract and award the contract to the next best offer without being required to re-advertise the Bid.
- 1.3.7. The contract awarded may be terminated upon any of, but not limited to, the following occurrences: a) bankruptcy or insolvency of the bidder or one or more of the bidder's principal owners; b) unauthorized substitution of products other than those identified in the specifications or specifically approved by the City as a substitute prior to award of the contract; c) unsatisfactory performance of

products supplied by the bidder or services provided by the bidder; d) fraud and e) any other breach of the terms of the bid specifications or contract.

- 1.3.8. Bidder, by signing and making this bid, does further declare, in determining the prices and/or amounts of the bid, that bidder has not colluded with any other person, firm, corporation or association in arriving at said prices and/or amounts or in any way violated the terms, conditions and/or spirit of the provisions of 15 U.S.C. 1 through 7 (Sherman Anti-Trust Act).

1.4. Terms and Conditions

A representative copy of a City contract is included with this bid package. It immediately follows the Invitation to Bid document. Any bidder who is awarded a contract pursuant to this invitation to bid agrees to be bound by the terms and conditions set forth in the attached City Contract (Attachment A). **If the bidder objects to any contract terms or proposes any additional terms, such objections and terms must be set forth in the bid.** Rejection of any proposed City Contract terms may be a basis for rejection of the bid. If an award is made, any contract resulting from this ITB will be effective on the date the contract is signed by all required parties.

All bidders who are awarded contracts agree to be bound by these terms and conditions set forth below:

- 1.4.1. Should awarded bidder fail to fulfill, in a timely and proper manner, its obligations under the contract, or if it should violate any of the terms of the contract, the City shall have the right to immediately terminate the contract upon written notice to the bidder. The City may terminate the contract at any time, with or without cause, upon written notice to bidder. Should funding for the contract be discontinued, the City shall have the right to terminate the contract immediately upon written notice to the awarded bidder.
- 1.4.2. The City, at its option, and in lieu of immediate termination, may request that the awarded bidder repair or replace any defective goods or correct performance by written notice to awarded bidder. In that event, awarded bidder shall take corrective action within the amount of time specified by the City in the written notice. Exercise of this option shall not relieve awarded bidder of any liability to the City for damages sustained by virtue of awarded bidder's breach.
- 1.4.3. The contract may be modified only by written amendment executed by all parties and their signatories hereto.
- 1.4.4. No waiver of any provision of the contract shall affect the right of any party thereafter to enforce such provision or to exercise any right or remedy available to it in the event of any other default.
- 1.4.5. Awarded bidder agrees that, in the event either party deems it necessary to take legal action to enforce any provision of the contract, and in the event the City prevails, awarded bidder shall pay all expenses of such action including the City's attorney fees, expenses, and costs at all stages of the legal action and/or alternative dispute resolution process, if any.

- 1.4.6. The validity, construction and effect of the contract, and any and all extensions and/or modifications thereof shall be governed by the laws of the State of Tennessee.
- 1.4.7. Should any provision of the contract be declared to be invalid by any court of competent jurisdiction, such provision shall be severed and shall not affect the validity of the remaining provisions of the contract. Any action between the parties arising from this agreement shall be maintained in the courts of Rutherford County, Tennessee.
- 1.4.8. Contractor shall indemnify and hold harmless the City, its officers, agents and employees from: i) any claims, damages, costs, and attorney fees for injuries or damages arising, in part or in whole, from the negligent or intentional acts or omission of awarded bidder, its officers, employees and/or agents, including its sub or independent contractors, in connection with the performance of this contract; and ii) any claims, damages, penalties, costs, and attorney's fees arising from any failure of awarded bidder, its officers, employees and/or agents, including its sub or independent contractors, to observe applicable laws, including, but not limited to, labor laws and minimum wage laws.
- 1.4.9. Awarded bidder shall maintain insurance sufficient to cover any claims arising from the acts of the awarded bidder in connection with the performance of this contract and subject to the approval of the City.
- 1.4.10. The bidder shall furnish to the City all such information and data for this purpose as the City may request. Such information shall be submitted to the City within five (5) calendar days of the City's written request. The City does hereby expressly reserve the right to reject any and all bid responses, the right to request additional information, the right to clarify bids, the right to award a contract for only some but not all the articles or items in the bid, and does further expressly reserve the right to waive minor irregularities. The City does not warrant or guarantee that a contract will be awarded as a result of this ITB.
